

## Funding for NDI Programs in Côte d'Ivoire, 2010 – 2016

### NED

- 2010-321 D: to promote participatory and peaceful elections in Côte d'Ivoire by reinforcing mechanisms for mitigating election-related conflict; and advocating for more women candidates for upcoming legislative elections, \$550,000.
- 2011-289 V: to promote national reconciliation and political reform in Côte d'Ivoire by fostering dialogue on peaceful political participation and national reconciliation; and promoting consensus among key Ivoirian political and civic actors on priority areas for political and electoral reforms, \$450,000.
- 2012-283 BB: to promote dialogue and inclusive political processes in Côte d'Ivoire by fostering dialogue among Ivoirian political parties at the local level in targeted communities on issues of concern to the local population; and enhancing the ability of women in targeted communities to contest for seats in the 2012 local elections, \$450,000.
- 2013-020 B: to stimulate dialogue and youth engagement in national reconciliation in Côte d'Ivoire, by enhancing local inter-party platform efforts to advance national reconciliation; enhancing the capacity of youth leaders to contribute to national reconciliation; and advancing electoral reform through inclusive dialogue, \$559,600.
- 2014-008 EE: to foster issue-based dialogue in Côte d'Ivoire, and enhance prospects for peaceful, credible and inclusive elections in 2015, by assisting political parties and civil society expand engagement in the political process using modern tools such as public opinion research; and strengthening civil society capacity to undertake systematic observation that would enhance citizens' confidence in elections, \$750,000.
- 2015-0133 C: to assist Ivoirian civic groups to engage citizens in mitigating the risk of election-related violence through a coordinated multimedia campaign, and support an Ivoirian coalition in raising awareness of the principles in the political party code of conduct for elections, \$250,000.

### Other Funding

- **USAID/CEPPS:** "Cote d'Ivoire: Promoting Broad Based and Peaceful Electoral Participation and Representation." To enable civil society to effectively conduct civic education and violence monitoring throughout the electoral process; strengthen the capacity of political parties to compete peacefully and effectively in the legislative elections; and strengthen the National Assembly's capacity to carry out its parliamentary duties. September 2011 to August 2012, \$858,500
- **U.S. Department of State:** "Fostering Reconciliation Through Women Leaders." To strengthen women's leadership on reconciliation and support women-led reconciliation initiatives. September 2013- May 2014, \$250,000.

- **USAID/CEPPS:** “Electoral Reform Support.” The legal and regulatory framework governing electoral processes is improved through a politically inclusive reform process; Citizens’ knowledge of and participation in the electoral process is increased in areas targeted by the program; and Civil society’s capacity to observe elections and constructively engage state institutions on priority electoral and political process reforms is strengthened. June 2014- June 2017, \$4,265,000.
